The Sale of Student Parking Permits :

In an effort to provide the students with accurate information, the Public Safety Department wishes to remind the College Community that, under the new Banner System, the Parking Services Office, located on the ground floor of Building 4, no longer sells Student Parking Permits. Students wishing to purchase a hanging-style parking permit for the period of instruction should be directed to the Bursar's Office located in Building 9A. Students wishing to not purchase a hanging-style Student Parking Permit retain the option of purchasing a Day-Use Parking Permit from the ticket machines located in the parking lots - parking in Pay Lot B or parking at one of the parking meters throughout the campus.

Thank you.
