I am pleased to announce that Measure RR has been passed by the voters of our district, after months of hard work by staff, students, faculty, and community leaders. This is a tremendous accomplishment, and I thank all of you involved in our successful campaign. Kudos and congratulations! Mt. SAC now can build for the future, creating opportunities for tomorrow's students and ensuring economic growth in our communities.

We will have a celebration soon -- more information will be sent to you as it becomes available.

Again, thank you for your support.

John
