Dr. John Nixon  
Interim President  
Mt. San Antonio College  
1100 N. Grand Avenue  
Walnut CA 91789

Dear President Nixon:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 9-11, 2008, reviewed the Midterm Report submitted by Mt. San Antonio College. The purpose of this review was to assure that the recommendations made by the evaluation team are addressed by the institution and that the college has also considered the self-identified areas of concern which were included in the institutional self study.

The Commission took action to accept the Midterm Report and commend the college for the thorough analysis it provided of its success in addressing the Commission's recommendations as well as for providing links to additional evidence in support of the report.

The Midterm Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation.

The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include the Chancellor, campus leadership, and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this.

Please note that the next comprehensive evaluation of Mt. San Antonio College will occur in **Fall 2010**.

Sincerely,

Barbara A. Beno, Ph.D.  
President
