Mt. SAC Closes Temporarily in Response to Governor's Stay at Home Order

March 19, 2020 – Mt. San Antonio College is temporarily closed in response to California Governor Gavin Newsom's stay at home order. The executive order requires that every Californian stay home except for essential needs, like going to the grocery store, pharmacy, bank or gas station. Learn more at <https://covid19.ca.gov/>.

During the temporary order, Mt. SAC will continue its efforts to move most classes online, develop work-from-home options, and ensure critical operations can continue. Employees are urged to continue checking their emails (accessible from the portal) or the Health Alert website at www.mtsac.edu/health for details and updates.

There are no known cases of coronavirus (COVID-19) on our campus. Mt. SAC is implementing these changes to prevent the spread of the disease.
