# UPDATES

- / Meetings held over the summer: Instruction, Student Services, Administrative Services, Human Resources, and additional groups
- / Interview Themes and EMP Updates
- / Parking and Circulation Master Plan Update
- / Working Project List and Campus Plan

# Interview Themes and EMP Updates

# MASTER PLAN THEMES

- / Faculty, staff, and administrators in each unit described the Challenges and Opportunities they anticipate
- / Challenges and Opportunities are based on professional insights and visions of the future
- / There were many common threads in the over 100 sets of Challenges and Opportunities
- / Master Plan Themes = a synthesis of the EFMP Challenges and Opportunities

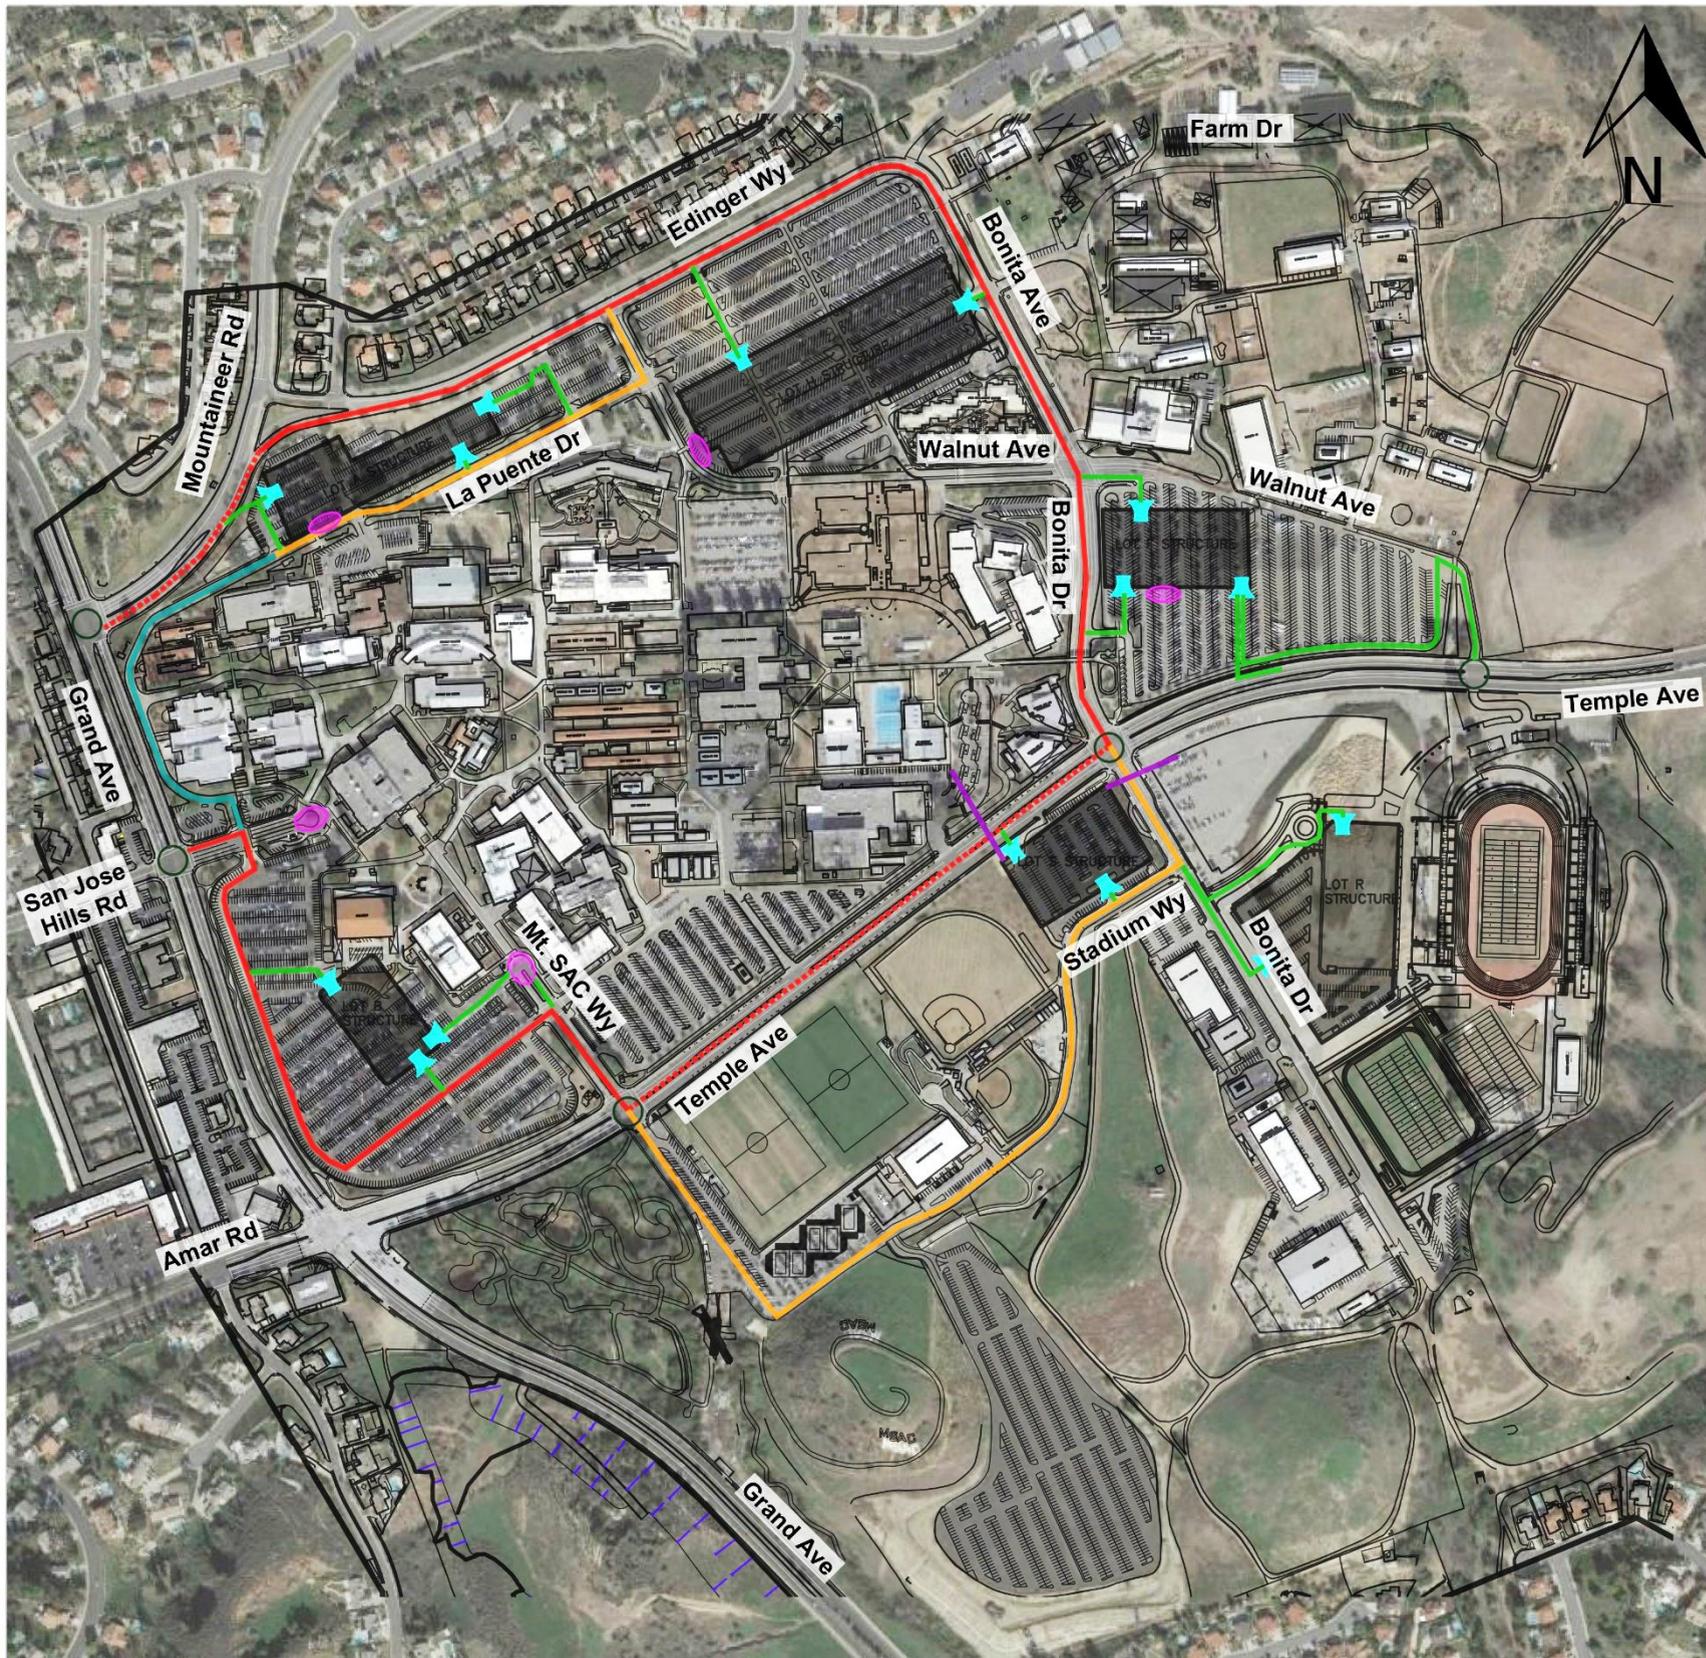

# IMPLICATIONS FOR PLANNING

- / Implications for Planning = a summary of the internal and environmental scans in the EFMP data portfolio
- / External Environmental Scans = projected demographic and economic changes
- / Internal Environmental Scans = assessment of the College's strengths and weaknesses relative to meeting the College's mission

## LINKS TO STRATEGIC PLAN

- / Using the Master Plan Themes as one of the resources for the Strategic Plan demonstrates that the many voices of faculty, staff, and administrators are contributing to the Strategic Plan
- / Using the Implications for Planning as one of the resources for the Strategic Plan demonstrates that the Strategic Plan is data informed
- / Using these resources as starting points for the Strategic Plan demonstrates the links between the EFMP and the Strategic Plan and thereby demonstrates integrated planning

# EFMP

# Review Process

# EFMP REVIEW PROCESS: OVERVIEW

- / The document schedule will move quickly with short turnaround times.
- / Carol Nelson in the President's office will send a link to MPSTF to review PDFs of the remaining chapters.
- / The MPSTF may review chapters with their constituents for feedback, if desired.
- / EMP chapters are currently in final review with President's Cabinet. They will be posted online soon, for reference only.
- / In October, the 2018 Board Study Session date will be decided, which will help determine the final schedule for document completion.

# EFMP REVIEW PROCESS

- 1 / Preliminary drafts of *Chapters 7 (Facilities Analysis) and 8 (Environmental Analysis)* are being reviewed by Facilities and Draft #2 will be sent to MPSTF for review soon.
- 2 / Comments will be due to Tri-Chairs, Gary, and Mika.
- 3 / Tri-Chairs, Gary, Mika, and the consultants will meet to review and accept comments.
- 4 / Consultants will then make edits and send Draft #3 of *Chapters 7 (Facilities Analysis) and 8 (Environmental Analysis)* out for College-wide review.

# EFMP REVIEW PROCESS

- 5 / Draft #2 of the *Introduction and Chapters 9 (Framework for Recommendations), 10 (Facilities Recommendations), and 11 (Impacts)* will go to CMPCT for initial review.
- 6 / Consultants will then make edits and send Draft #3 of the *Introduction and Chapters 9 (Framework for Recommendations), 10 (Facilities Recommendations), and 11 (Impacts)* to the MPSTF and the College for review.
- 7 / At this stage, a complete draft of the EFMP will be available online, however, these previously reviewed chapters will be for reference only—additional comments can not be accepted at this time.
- 8 / Comments from MPSTF and the College will be due to the Tri-Chairs, Gary, and Mika.
- 9 / The Tri-Chairs, Gary, Mika, and the consultants will review and accept comments.

# EFMP REVIEW PROCESS

- 10 / Consultants will then make edits and send Draft #4 of the complete FMP (*Introduction and Chapters 7-11*) to CMPCT/President's Cabinet for their final review.
- 11 / CMPCT/President's Cabinet will review and submit final edits to the consultants.
- 12 / The consultants will incorporate the approved comments and create the final document.
- 13 / The entire EFMP will then go to the Board for their "First Read" and subsequently, their approval after any comments have been addressed.
- 14 / The final EFMP will be available online for viewing.
