X	Francisco Dorame (Dean, Counseling)	X	Jesse Lopez (Counseling)	X	Sarah Plesetz (Associate Dean, Tech & Health / Instruction Office)
X	Elizabeth Casian (AmLa)	X	Naomi Avila (Counselor, Continuing Ed.)	X	Dana Johnson (ACCESS)
	Vacant (Associated Students)				

Guests: Nico Martinez (Assessment Center), Corina Reyna (Admissions & Records/Recorder)

<u>ITEM</u>	<u>DISCUSSION</u>	<u>OUTCOME</u>
1. Approval of Minutes from May 11, 2022	The minutes were reviewed by the committee.	The minutes were approved as written.
2. Committee Goals and Progress Report – 2021-22 (George)	Collectively, the outcomes and accomplishments of the committee were discussed and reviewed to complete the Committee Goals and Progress Report 2021-22 document. One item (“follow-up implementing chemistry placement changes”) was not included in the document. Dianne will inquire on the CCC curriculum listserv about the chemistry placement tool to see what other campuses are doing and report back to the committee at a later date.	The document was completed and submitted by the June 3, 2022 deadline.

<u>ITEM</u>	<u>DISCUSSION</u>	<u>OUTCOME</u>
3. RIE Update (Vera)	Vera will be leaving the MTSAC campus as she will be pursuing her PhD full time.	RIE will assign another researcher to join the committee.
4. Counseling Update (Francisco; Jesse)	<p>Jesse mentioned there were issues with several students with AMLA/1A placement registering for English 1A. When AMLA/1A gets populated as a result of the AQ, the students are not getting cleared for English 1A pre-requisites. They are getting the pre-requisite test score error so they have to get manually cleared. Jesse will provide examples to both George and Nico so they can determine what the problem is.</p> <p>Francisco indicated they are looking to upgrade to the latest version of DegreeWorks as Ellucian will no longer be supporting the classic DegreeWorks.</p>	<p>George and Nico to review examples provided by Jesse to determine a solution to assist in resolving problem.</p> <p>Launching of the latest version of DegreeWorks will take place on June 6, 2022.</p>
5. READ Update (Dianne)	<p>Dianne provided a link to a faculty association and California Community Colleges webinar that took place on May 13, 2022, addressing AB 1705. She viewed the webinar in its entirety and said it is very informative, talking about the Chancellor's Office dictating what our curriculum, which is the faculty purview what courses we can offer in math. She highly recommends viewing the webinar.</p> <p>FACCC Webinar from 5/13/2022 Reclaiming Student Success: AB 1705 in the Context of Minority Students: https://www.youtube.com/watch?v=whQsv4PeeDY</p>	Link provided for all committee members to view the webinar.
6. AMLA Update (Elizabeth)	AMLA will be offering new courses in the Fall, a foundational grammar course, an advanced grammar course, and an American culture class for English language learners.	

<u>ITEM</u>	<u>DISCUSSION</u>	<u>OUTCOME</u>
7. English Update (Ned)	<p>A couple of new cohorts will be offered with English 1A, classes with Poly 35 in the Fall and African American history in the Spring.</p> <p>Ned also indicated he will be leaving the committee as his term has now concluded.</p>	
8. School of Continuing Education Update (Liza / Naomi)	<p>Liza indicated they are very excited to announce they are very close to the soft launch of the online interactive noncredit orientation. This orientation will branch out to five different member groups: ABE, ESL, Short Term Voc, Voc Re-entry, and the IMPACT Students (adults with disabilities). The orientation will also be in three different languages: Chinese, Spanish, and English. She will report on how it is going by the time the committee reconvenes in the Fall.</p> <p>Naomi: Along the lines of AB 1705, ABE already has AIME classes but they are actually working on pre-AIME classes to help students in the IMPACT Program that require a bit more support. The pre-AIME classes will help them build to AIME, then build additional skills to help transition to ACCESS 30, working their way to English 1A.</p>	
9. Math Update (Jimmy)	No updates.	
10. Miscellaneous	No updates.	

Next Official Meeting: June 8, 2022 from 2:30-4:15pm online via Zoom.
