

ASSISTANT DIRECTOR, FACILITIES PLANNING & MANAGEMENT

DEFINITION

Under administrative direction, assists in planning, organizing, managing and providing administrative direction and oversight for major programs, functions, and activities of the Facilities Planning & Management Department; assists in coordinating assigned activities with other District departments, divisions, outside agencies, and the public; provides highly responsible and complex professional assistance to the Director, Facilities Planning & Management in areas of expertise; supervises and evaluates the performance of assigned personnel.

SUPERVISION RECEIVED AND EXERCISED

Receives general direction from the Director, Facilities Planning & Management. Exercises general and direct supervision over assigned staff.

CLASS CHARACTERISTICS

This is an Assistant Department Director classification in the Facilities Planning & Management Department. The incumbent oversees, directs, and participates in major activities and programs of the department, including the maintenance and operations of various District infrastructure, systems, and facilities, and is responsible for providing professional-level support to the Director, Facilities Planning & Management in a variety of areas. Assists in short- and long-term planning, development, and administration of departmental policies, procedures, and services. Successful performance of the work requires an extensive professional background, as well as, skill in coordinating departmental work with that of other District departments. Responsibilities include performing and directing many of the department's day-to-day operational functions. This class is distinguished from the Director, Facilities Planning & Management in that the latter has overall management responsibility for District-wide facilities and maintenance programs, services, and activities.

EXAMPLES OF ESSENTIAL FUNCTIONS (Illustrative Only)

16. Operate modern office equipment including computer equipment and specialized software applications programs.
17. Use English effectively to communicate in person, over the telephone, and in writing.
18. Understand scope of authority in making independent decisions.
19. Review situations accurately and determine appropriate course of action using judgment according to established policies and procedures.
20. Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Education and Experience:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

1. Equivalent to graduation from a regionally accredited four-year college or university

with major coursework in construction management, facilities planning, business or public administration, or a related field; and

2. Five (5) years of increasingly responsible management and/or administrative experience in construction management, facilities planning and management, or a related field.

Desirable Qualifications:

1. Proven track record of implementing or overseeing programs or policies relating to diversity, equity, inclusion, anti-racism, and accessibility, preferably in institutions serving minoritized populations such as Hispanic Serving Institutions (HSI) and Asian American and Native American Pacific Islander-Serving Institutions (AANAPISI); OR
2. Proven track record of participating in programs relating to diversity, equity, inclusion, anti-racism, and accessibility, preferably in institutions serving minoritized populations such as Hispanic Serving Institution (HSI) and Asian American and Native American Pacific Islander-Serving Institutions (AANAPISI).

Licenses and Certifications:

Possession of, or ability to obtain, a valid California Driver's License by time of appointment.

PHYSICAL DEMANDS

Must possess mobility to work in a standard office setting and use standard office equipment, including a computer, to inspect City development sites, to operate a motor vehicle, and to visit various City and meeting sites; vision to read printed materials and a computer screen; and hearing and speech to communicate in person, before groups, and over the telephone. This is primarily a sedentary office classification although standing and walking between work areas may be required. This class also works in the field and must possess mobility to work in and around District buildings, facilities, utility systems, and infrastructure; to work in confined spaces and around machines; to climb and descend ladders; and the job involves frequent walking in operational areas to identify problems or hazards. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment. Positions in this classification occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and file information. Employees must possess the ability to lift, carry, push, and pull materials and objects weighing up to 20 pounds.

ENVIRONMENTAL ELEMENTS

Employees partly work in an office environment and partly work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employees may interact with staff and/or public and private representatives and contractors in interpreting and enforcing departmental policies and procedures.
