Guidelines for Hiring a Professional Expert:

- The Professional Expert exemption allows districts to go outside the classified service when the scope of the work is discrete, temporary, and requires expertise unavailable within the classified service. Professional Experts should be hired for a defined project, with specified start and end dates, and continued employment contingent upon continued demand and/or funding.
- Professional Experts are temporary employees. They are employed on an “as-needed” basis, subject to termination at will by either the District or the employee.
- Professional Experts cannot be employed to perform duties that have previously been exclusively performed by bargaining unit workers. Employment shall not result in the displacement of Classified personnel (EC§88003).
- Requires specialized knowledge, skills or expertise not generally required of, or found within, the existing classified service.
