

Mt. SAC Technology Loan Program

The Mt. SAC Technology Loan Program, established March 2020, was created in order to support all students with technology needs during the campus shutdown. The campus commitment to ensure every student had access to their education despite the pandemic resulted in providing free laptops, iPads and MiFis (hotspots and service) to all enrolled students.

Note: This infographic highlights data for services offered between March 2020 and June 2023.

Key Numbers

7,303

Students served by the Technology Loan Program

Total Devices Loaned: 15,695

Laptops: 7,486

MiFi/Hotspot: 7,909

Ipads: 300

Note: These are duplicated counts. For example, in the cases where a student checked out a laptop, returned the laptop, and checked out a different laptop during a different period, these students will show up twice in the overall count and the individual laptop count.

56.8%

Borrowed both a laptop and a MiFi/Hotspot

4,149 students borrowed both a laptop and a MiFi/Hotspot

1,698 students only borrowed a laptop

1,263 students only borrowed a MiFi/Hotspot

Note: The 56.8% is made up of 4,149 students.

Total Devices Currently Loaned Out: 4,425

Laptops: 2,875

MiFi/Hotspot: 1,456

Ipads: 94

Enrollment

12.0% Noncredit only

72.5% Credit only

14.7% Enrolled in Credit and Noncredit

Note: .7% fell into the following categories: students registered but were not found in the primary enrollment file, dropped, records indicated a no show, or their class was cancelled.

Student Participants by Demographics
