# **Registration Information**

# Registration is happening now. Sign up today!

# **How to Register for a Class**

Students can register for classes online or in person.

**To register online,** complete the noncredit application online each semester. After completing the noncredit application, we will email you a personalized registration link where you can select your classes. The noncredit application is available online at <a href="https://www.mtsac.edu/noncreditapp">www.mtsac.edu/noncreditapp</a>

**To register in person,** complete a yellow registration card. This registration card serves as your application and registration document. You can get a blank yellow registration card from your teacher. After filling it out completely, please give it back to your teacher for processing.

# Need help?

Come see us in person! We have application workshops and registration support dates out in the community at a location near you. See the following pages for details.

# **Spring 2024 Registration Support Dates**

# Registration begins on Tuesday, January 16.

If you need assistance with your registration please come see us at the days, times, and locations listed below. We can assist with your online application, or help you with the paper registration forms. We look forward to seeing you!

# **Additional Program Information**

# **About the Education for Older Adults Program**

Mt. San Antonio College's School of Continuing Education offers classes for older adults that provide opportunities for personal growth and development, community involvement, and skills for mental and physical well-being. Classes are available online and at various senior centers, community centers, and residential facilities. These courses are designed for older adults (age 55+ years). Education for Older Adults (EOA) students enter class with different levels of real world experience as well as a multitude of educational levels, age variances, and life skills.

# Do you have questions about a class?

All faculty members teach their classes slightly differently based on their knowledge, expertise, and teaching philosophy. It is the policy of Mt. San Antonio College to maintain and encourage freedom for its faculty, within the law, of inquiry, teaching and research, and the pursuit of knowledge. If you have questions about a specific class, we encourage you to email the faculty member.

# **Course Modality**

Course Modality refers to how an instructor delivers their course.

- In Person Learning takes place at a physical location at specific days/times.
- **Synchronous Learning** is online learning that happens in real time. This means that you, your classmates, and your instructor interact in a Zoom call through Canvas at a specific time.
- **Asynchronous Learning** is online learning that happens both in real time and on your schedule. All asynchronous classes have a weekly live Zoom call. In addition to the Zoom call, you are responsible for doing some work independently. You will be required to read, watch videos, participate in online discussion forums, or complete assignments outside of the scheduled Zoom time. You have the ability to access and satisfy these requirements within a flexible time frame.
