

Inter-Club Council Minutes

Date: May 20th, 2024 | Time: 1:00-2:00 p.m. | Location: 410-2020

a) CALL TO ORDER - *Meeting called to order at 1:06 pm.*

b) FLAG SALUTE

c) LAND ACKNOWLEDGEMENT

Hello, at this time I would like to take a moment to honor, acknowledge, reflect, express our sincere gratitude for, and appreciation of, the peoples, ancestors, and sacred land that we gather upon today. I want to honor the ancestral homelands and traditional territories of Indigenous peoples who have been here since time immemorial and to recognize that we must continue to build solidarity, and kinship, with Native Indigenous communities.

Mt. San Antonio College, is based in the city of Walnut, in the Los Angeles basin we honor the Kizh [kitch] Nation, the Acjachemen [hash-e-min] Nation, and the Tongva Tribe and the village of Pemookanga. We would also like to pay our respects to the land and life of Indigenous people, the Honuukvetam [ho-nuke-ve-tam] (ancestors), 'Ahihirom [ah-hee-hi-rome] (Elders), and 'Eyoohinkem [eee yo-heeng-kem] (our relatives/relations) past, present and emerging.

As all of our liberations are tied together, and so is our history, we also acknowledge that this country was built up from the free, enslaved labor of Black people, and we honor the legacy of the African diaspora. We pay respects to Black life, knowledge, and skills stolen due to violence and White supremacy. With this Land, life, and labor acknowledgment, we also recognize a duty to give honor through our work and continue to stand up for racial and social justice every day. Please join us in a moment of silence and a collective breath.

k) DISCUSSION

A. RSCO Funding Feedback: *Co-chairs talked to A.S. to create a reserve fund for RSCOs. Asked ICC Reps for feedback on requesting funds process. NAISA - RSCOs do not know how to ask for funds and need more clear info on what they use funds for/how much they can ask for. CNSA shared a positive experience: they had to receive funding to go to their conference in Florida. Radio Podcast and Voiceover Club shared similar experiences as NAISA / wants more information to be given to them so they can know how to properly request funding. Astronomy Club and Biology Club shared gratitude for letting their events happen through AS funding. The Engineering Club shared their gratitude for the funding that was possible due to their advisors helping them navigate that. Computer Science Club shared challenges with reimbursement request and suggested mandatory training session.*
