

# Toolkit Rubric

Name of Toolkit \_\_\_\_\_ Name of Creator(s) \_\_\_\_\_

Criteria:	YES	NO
1) Is the topic of this toolkit a good match for the repository? (Does it include information on a teaching practice that would be useful to other faculty?)		
2) Are the toolkit and its accompanying materials clear and easy to understand?		
3) Is this toolkit replicating the same information in another toolkit?		
4) Is the grammar and punctuation etc. of this toolkit correct and ready to be published?		
5) Do the web links work and relate to the topic?		
6) Does this toolkit need any changes before it can be published?		
7) Do you have any concerns about this toolkit?		

If you select "NO" for 1-6 or "YES" for 7, please explain your rationale in the comments section. You may also use the comments section for any other comments you want to leave.
